

Memo

December 10th, 2009

PLEASE NOTE

Your Webmasters have found it necessary to temporarily remove the Canadian Club Directory Page due to confusion it appears to have caused some 2010 Club Executives.

The Directory page which has been removed was the 2009 Directory Page as the 2010 Directory Page is a "Work-in-Progress" and will not be posted to the Probus Website until such time as ALL Clubs have submitted their 2010 Membership Listing Form to Probus Centre-Canada, Inc., and the membership information has been recorded and forwarded to the Webmasters.

Unfortunately, the Webmasters have been inundated with repeated questions from newly installed Club Presidents who have been looking at the 2009 Club Directory Page for their Club update information instead of looking at their individual Club web pages which have been updated immediately upon receipt of the individual Club initiated information updates.

We sincerely regret having had to take this action but, be assured that the 2010 Club Directory Page will be posted as soon as possible.

Your Webmasters,

Bernie Nadeau and Brian Kirkwood
