

PROBUS CLUBS in IRELAND

NOTICE TO ALL PROBUS CLUBS IN IRELAND

You will note that the following list of Probus Clubs in Ireland is posted on the PROBUS WORLD web site.

Probus is a worldwide organization of retired and semi-retired persons who join together in autonomous Clubs totally free from the constraints imposed on members of Service Clubs. One of the purposes of the Probus World website is to allow members, and prospective members, to make direct contact with a member of the Executive in any Club in the World, usually by E-mail but also by telephone or the postal service.

Unfortunately, IRELAND is the only country where such contact, either internally or internationally, is not possible due to restrictions placed on those contacts by Rotary in Ireland.

We have recently learned that some of the information contained in the following list may be outdated and in immediate need of updating.

We would ask that all Irish Probus Clubs review their individual information in these listings and advise me of the required contact changes. It would also be appreciated if you could provide one contact E-mail address for each Club such that many of our ex-patriot Probus members in the far reaches of the world might contact Probus friends or acquaintances in Ireland.

Please send your update information directly to
Shirley Roberts, Probus World Webmaster at:

strebors2@gmail.com

MEN

ABBEEY PC
