PRESIDENT'S MESSAGE

The recent meeting of Directors in Victoria resulted in some changes in the make-up of your Probud Canada management team. President Art Buck is now our immediate Past President and I am certain we can continue to call upon his wise counsel as the years unfold.

My personal thanks to Past President Beth Hickerson, who has now retired from the Board, for her guidance over the past few years. I think Congratulations are in order in appreciation for several years of dedicated service, not only to Probud Canada, but also to her own Club and District.

We owe a great deal to our to web site Publisher Bernie Nadeau who has served as the volunteer web page Publisher for the past 12 years and is now succeeded by Brian Kirkwood who has been his volunteer assistant for the past 8 years. A "thank you" to Bernie hardly seems enough.

Welcome to new Director Steve Campbell from the Probud Club of Greater Moncton and he will be the representative Director from Atlantic Canada for the next three years.

For the coming year the emphasis will continue to be on the promotion of new Probud Clubs and we look to the existing Clubs to play a major role in this task. Should you need any details on starting a new Club, do feel free to contact your District Director or the Managing Director at Probud Centre. (See Page 2 of this newsletter for a full listing of new Officers and Directors)

There was a great deal of discussion about a third Probud Rendezvous and, following the first one in Central Canada and the second in the Maritimes, I am pleased to announce that the Probud Club of North Shore Vancouver has agreed to head up the Committee responsible for the development of the next Rendezvous to be held in Vancouver in September 2011 lots of details and information to come as the committee finalizes plans. When thinking about your travels for 2011 think Vancouver in September for '**Rendezvous 2011**'.

It is most interesting to see the energy and enthusiasm resulting from those clubs who have recently participated in "Idea Exchange" sessions in Ontario, Dist.#6 and in the province of B.C. These are most worthwhile and provide great opportunities for socializing as well as information exchanges on both useful activities and successful meetings.

In closing I, and each of the Directors, wish you all a very pleasant and safe summer !

PROBUS CANADA ELECTIONS – 2010

Earlier this year elections were conducted in various regions across Canada for positions on the Board of Directors for the months ahead. There were vacancies in all four of the regions of Canada and nominations were sought from the Clubs in each region.

In the Atlantic region there were two nominations in the persons of Steve Campbell, Probus Club of Greater Moncton and Moira Ducharme, Probus Club of Halifax, and in the election that followed Steve Campbell was elected for a three year term.

In Ontario District #1, there was one nomination received in the person of Peter Doyle, Probus Club of Kanata and, there being no election required, Peter was declared re-elected by acclamation for a second three year term.

In the Prairie region there was one nomination received in the person of James Bracken, Probus Club of Winnipeg and, there being no election required, James was declared re-elected by acclamation for a second three year term.

In British Columbia, District #2 there was one nomination received in the person of John Leonard, Probus Club of North Shore Vancouver and, there being no election required, John was declared re-elected for a second three year term.

Congratulations go out to those who were elected to serve on your national Board and also very sincere appreciation is extended to those who agreed to allow their names to stand in nomination. Probus Canada is pleased to have your support and active participation in this democratic process.

Remember, those on the national Board of Directors of Probus are Members nominated and elected by you to represent Probus, not just in your Club or district, but across Canada. They are the ones who promote, and are available to be directly involved in, the development of new Probus Clubs and provide guidelines and give support to Clubs already established. Contact information is listed on this page.

FROM AROUND THE CLUBS: Grand Bend, Ont. Men's Club

A letter to President Emeritus John R. Morris

Hi John: Back in the '80s, when you set up the first Probus Club in Cambridge, Ont. you began a chain of events that created a special event at our meeting today. I want to share that with you. One of the members of that first Probus Club had a son named Don White. The father has since passed away, but while he was alive he often told his son Don about how much he enjoyed Probus. A few months ago, Don and his wife Karen decided to retire in Grand Bend, even though they were total strangers to this area. One of the first things they did was look up Probus on the internet.

Karen was first to join the Women's Club a while ago and today Don was inducted into our Men's Club.

I am grateful that Probus was here to help welcome this fine couple into our community. None of this would have been possible if John Morris had not brought Probus to life in Canada and pursued it vigorously. Thanks again John !!

W.H. (Bill) Metcalfe, Past President

Men's Probus Club of Grand Bend and Area (#53)
