

Bellevue Probus Club

February 2012

February 16th program will be at the North Bellevue Community Center, 4063 148th Avenue, N E, Bellevue, Washington. Refreshments will be available at 9:15 A.M. followed by the monthly program at 9:30. Good weather has been assured this month.

February 16th program will be a talk by the Chief of Police, Edward Holmes, from Mercer Island. He will discuss the duties of the Police on this island community. Did you know that the Mercer Island Police are responsible for patrolling the shore line of Mercer Island which totals many miles? They also have to control the crowds that congregate on shore and on the lake during the Sea Fair races in August. All of these specific duties are in addition to the on-going daily jobs of a metropolitan police department. Plan on attending this meeting to hear Chief Holmes and learn about Mercer Island's finest and their responsibilities. Chief Holmes is the son of John and Joan Holmes, Probus members.

March 15th guest speaker will be Jim Hansen whose topic will be Oil Supply and U.S. Energy - Reality or Fiction? Hansen is considered to be one of the most respected and knowledgeable person in the U.S. regarding the world's supply of crude oil. He attends many major oil economics meetings (recently in Washington, D.C.) and is a much sought after speaker. We are pleased to welcome him back after an absence of over two years. If you drive a car or heat your home, you will be interested in attending this power point meeting. Learn what the future holds for us all.

The Annual Election of new Officers for the Club is now re-scheduled for the February meeting. Your attendance and vote is very important so plan on attending and show your support to the new leaders of your Probus Club for 2012. Thank you!

******Again, we ask that you bring a check for \$20 to cover your yearly dues if you have not already done so. Please give the payment to Marlene Livingston, Treasurer, or to any Officer of the Club. Or you may mail your check to the address below. Thank you!**
