

What is Probus?

Probus is a club for retired and semi-retired **PRO**fessional and **BUS**iness men and women and their spouses who find enjoyment in meeting monthly with their contemporaries for fellowship, stimulation and entertainment. Probus clubs were introduced into the United States in 1987. There are over two thousand Probus clubs worldwide.

Probus clubs are not service clubs; no projects, no fund raising, no mandatory attendance. We just offer goodwill, a hearty welcome and a chance to have fun. Our programs include outstanding speakers discussing current topics and day visits to interesting places in the Puget Sound area.

Our annual dues are \$20.

If you are interested, come to a meeting. Enjoy free coffee and doughnuts and a good program. You will find help and membership applications at the hospitality table.

If you are in a hurry, call 425-265-0718 and we will mail you an application.
