PREAMBLE

A Probud Club is an Association of retired Professional and Business people, or other Members of the community, who have had some measure of responsibility in any field of worthy endeavor and who are of good character and respected by their fellow citizens.

- ◆ The Probud Club meets regularly for Fellowship and Development of the interests of the individuals.
- ◆ **PROBUS** is an acronym for the two words **PRO**fessional & **BUS**iness. It is also a Latin Word for honest and virtuous, from which the English word 'probity' is derived. It is acclaimed that Probud originated in the UK, but the First Probud Club was formed in New Zealand in 1974 and in Australia in 1976.
- ◆ Probud Club has filled a need for today's active retirees, and it is now a world-wide movement, with phenomenal growth

The Vision of the PROBUS CLUB OF HYDERABAD

"Is to try and ensure that the Elders in Society at large get quality services which promote Elder Empowerment, maintain Self-Sufficiency and ensure the maintenance and preservation of cultural values and traditions of the Elders?"

"People who do not listen to their elders will repeat its history."

"When an elder dies a library is burnt."

Native Americans hold great respect for the life experiences and wisdom of the tribal elders. It is this same spirit of lesson sharing that the Probud Club of Hyderabad wishes to impart to the needy and under privileged.
